Department of Information Science & Engineering

DEPARTMENT ACTIVITY REPORT

Date of Report: 23rd August 2025

Activity Date: 23rd August 2025

Name: FUNHAUS

Department: ISE

Activity Overview

We organized a **Fun Activity Session** with the primary objective of improving **interaction, confidence, and teamwork** among the students. The program was conducted on 23rd August 2025, beginning at **10:30 AM** and concluding at **1:00 PM**.

The event featured engaging activities such as a **Word Guessing Game** and a **Balloon Game**, which created an energetic and collaborative atmosphere. To help students build **self-confidence** and overcome **stage fear**, a **self-introduction session** was also organized, allowing participants to express themselves freely in front of their peers.

Students actively participated in all the activities with **great enthusiasm**, showcasing their creativity, spontaneity, and teamwork. The event not only encouraged interaction among students from different years but also promoted **positive peer relationships, leadership qualities, and communication skills**.

Faculty members appreciated the initiative and encouraged students to continue participating in such programs for their **overall personality development**.

Overall, the activity was highly successful in achieving its objectives of fostering **collaboration, confidence, and a sense of belonging** within the department. The department looks forward to conducting more such interactive sessions in the future, further supporting the **holistic growth** of students and strengthening the **academic and cultural environment** of the institution.
